

Dear Teachers,

We look forward to your visit to the **Mary Washington House**, the last home of George Washington's mother. In addition to visiting the museum, we also encourage you to bring your students to our **Museum Shop**.

In the event that you do not have time, or are not comfortable with bringing your students into our Shop, we want to offer your class the opportunity to purchase our **Gift Bags**. We offer items that appeal to young people for \$.25, \$1.00, \$2.00, \$5.00, and \$9.00.

With two weeks notice, we will have bags ready for teachers to distribute on the bus.

We offer a choice of \$2.00 or \$4.00 selections. The **\$2.00 Gift Bag** includes a Mary Washington House pencil, a ruler with portraits of all the presidents, a postcard of the Mary Washington House, and an old fashioned candy stick. The **\$4.00 Bag** includes all of these and either a quill pen with powdered ink or a ball point quill pen.

To order **Gift Bags**, please return the following form to the Mary Washington House Museum Shop, 1200 Charles Street, Fredericksburg, VA 22401, or phone (540)373-1569 and ask for Ann Harry or Anne Darron. Thank you.
